Dr. Ehninger's Swiss Formula

Olbas Cough Syrup contains these carefully selected Herbal Extracts that are blended to strengthen healthy lung function, and support the mucous membranes in the respiratory tract, promoting clear and healthy bronchial passages.*

- **Thyme** has a variety of natural flavonoids that increase its antioxidant capacity, helping to support immune system function.*
- **Licorice** contains glycyrrhizin, a glycoside that balances the normal production of mucus in the respiratory tract, maintaining healthy lung function.*
- **Plantain** contains natural flavonoids that soothe and cleanse the bronchial area, supporting healthy breathing.*
- **Horse Chestnut** contains a saponin known as aescin, which promotes normal circulation and healthy bronchial activity.*
- **Pine** is recognized to be one of the most potent antioxidants-substances that support the immune system.*
