

Oil for Children

Originating in Basel Switzerland, Olbas Oil has provided soothing relief to many for over 100 years. A truly unique and synergistic blend of six all-natural essential oils, Olbas has exceptional value in maintaining wellness.

BENEFITS:

Inhaling Olbas vapors delivers invigorating and soothing sensations to your nasal and bronchial areas, giving you power to breathe. This gentler formulation is milder than original Olbas Oil; perfect for little ones and those with more sensitive noses.

DIRECTIONS:

Inhalation: Children over 2 years: Sprinkle 8-12 drops on a tissue and hold close to the nose allowing child to breathe in vapors. May be used in a vaporizer compatible with essential oils, or add 8-12 drops to a bowl of hot water, and allow child to breathe in vapors. Leave bowl in the room, **out of the child's reach**, to inhale the vapors.
