**Olbas Breathe Easy Patches**

Olbas Patches are infused with a blend of oils for easy breathing. The comforting aroma lasts for up to 8 hours to help your little ones sleep easy. Olbas Patches contain 6 individually wrapped self-adhesive patches.

**DIRECTIONS:** Suitable for children aged 3 years and older.

- 1 Open the package carefully and gently pull out the patch.
- 2 Peel off the clear protective layer.
- 3 Attach the patch to clothing or bedding, ensuring it is placed at least 12 inches (30 cm) away from the face, preferably near the chest.

Remove the patch gently. Use immediately after opening. Do not use more than one patch at a time. Each patch is single use only.

**STORAGE:** Store in a cool, dry place below 86°F (30°C).

**CAUTION:** Read the label before use. For external use only. Do not apply directly on the skin. Apply the patch to clothing or bedding at a distance of at least 12 inches (30 cm) from the face and preferably near the chest. Do not place near the mouth or nostrils. Harmful if swallowed. If accidentally ingested, seek medical advice immediately. Avoid contact with eyes, mucus membranes and damaged skin. If contact occurs, rinse thoroughly with water. Keep out of reach of children and pets. Do not use during pregnancy or breastfeeding, or for children under 3 years of age. Do not use if you or your child have asthma or are allergic to any of the ingredients. If any side effects occur, discontinue use and consult a healthcare professional. Do not dispose of in aquatic environments. Harmful to aquatic life with long lasting effects. Keep away from heat sources. Dispose of unused product and packaging in accordance with local waste disposal regulations. Avoid contact with delicate materials. Do not use after printed expiration date on patch wrapper. Retain packaging for future reference.
